

## Sign Up for Pokémon Club at Givens!

**Learn to play the Trading Card Game, trade cards with new friends, get better at math and reading, win cards & prizes!**

Pokémon is a strategy & critical thinking game similar to chess, but so much more. Parents love how their kids become more proficient at math, problem solving and reading comprehension. For example, a card might say, 'Flip 4 coins and do 30 damage for each heads, then subtract 20.' I teach them tips on how to solve these math problems quickly. The game helps to develop these skills, which translates to success in the classroom, all while having fun and making new friends.

All students who sign up will be given a 60-card deck, a playmat, a deck box, 60 sleeves to protect their cards, dice, condition markers & a Pokémon coin so they can play the game. Example above.

**Throughout the year, there will be Pokémon-themed festivities for Halloween, Christmas, Easter and Cinco de Mayo. Also, fun activities like Pokémon coloring pages, word searches, bingo, games with Pokémon toys & plushies, and we will even have Pokémon battles on the new Switch 2!**

Classes will be held once a week after school on Thursday. Each Session will last 7 weeks & there will be 4 Sessions during the year. Students can continue and advance throughout the year, as the level of learning and competition will progress and new material will be taught. Each week there will be chances to earn new cards & other fun prizes.

# ENROLLMENT FORM

Return this form to the box in the school office by Friday, 9/5

**Classes will begin Thursday, September 11th**

**Grades K-5 (Thursday 9/11):** \_\_\_ 7:45 to 8:45am or \_\_\_ 3:20 to 4:20pm

The Pokémon World Championships were held this year in L.A.! The top players aged 7-12 won \$50,000!

The classes will be taught by a Master Level Pokémon Trainer, who has participated in official Pokémon tournaments from Peru to Europe & all over the United States.

**Students will also learn how to play the game online to further develop their skills.**

Please turn in this form with cash, check or a money order in an envelope to the Pokémon box at your school's office.  
You can also text me a photo of this form to save your spot sooner.

**Each 7-week session, or around 2 months of classes, is \$100.**

A \$20 one-time registration fee will be assessed for the 1<sup>st</sup> session only.  
This fee includes the full 60-card Pokémon deck & all playing materials shown on the front page (over \$50 in value if bought at a game store).

2026 will be the 30<sup>th</sup>  
Anniversary of Pokémon!

**Session 1 will be \$120 in total.**

**Payable to Chris Ruiz**

**702-945-3451**
